

Summer Training Program in Biology – 2022 [ONLINE]

Organized by

ACADEMY OF SCIENCES, Chennai-600025

Department of Zoology
UNIVERSITY OF MADRAS
Guindy Campus, Chennai – 600025

July 23 – August 6, 2022

STPIB – 2022 is meant for the **final year M.Sc. Biological Sciences** (Botany/ Zoology/ Biotechnology/ Biochemistry / Microbiology) and who are interested in pursuing a research career. The 14- days course will be completely online and consists of lectures and virtual laboratory sessions. The lectures will be delivered by the distinguished faculty members from members from leading research and teaching institutions around the globe. **The classes will be conducted during the evening hours.**

The program is open to **all the P.G. Institutions in Tamil Nadu**. Since the student strength is limited to 50 for the program, the admission will normally be restricted to a maximum of two students per Department/College. Interested candidates should submit their details through google registration form and the endorsement form through the Head or any faculty member of candidate's department from the provided links.

Deadline for Online Registration : July 18, 2022
