

Summer Training Program 2025

The Academy of Sciences, Chennai

(formerly Tamil Nadu Academy of Sciences)

<https://tnasc.com/>

The Academy of Sciences Chennai is conducting 21 days Summer Training Program (STP-2025) in Physics, Chemistry, Biology and Mathematics this year through online mode for three weeks (from 15th May to 7th June 2025). This program is effectively designed to benefit the Postgraduate students of Tamil Nadu, especially from rural back ground/ government colleges and also to motivate the students to write CSIR / GATE examinations as well as to pursue a career in research. This training program is meant for the Second year M. Sc. students (going to the second academic year in 2025-2026), who are interested in pursuing research career. The training program will completely be online consisting of lectures / tutorials / assignments. The lectures will be delivered by the faculty members drawn from the leading research and teaching institutions and fellows of the academy. The necessary applications are available in the respective links subject wise given below and forms should be submitted with relevant details on or before 5th May 2025.

Physics STPIP-2025: <https://forms.gle/CBZeUv961Hp9UFmZ6>

Chemistry STPIC-2025: <https://forms.gle/EM39AfrL6omTM441A>

Biology STPIB-2025: <https://forms.gle/RsH4xfViUdS48bUH6>

Mathematics STPIM-2025: <https://forms.gle/5WC7PSPdWxxNtmU69>

The student strength is limited to 80 per subject for the program, the admission will normally be restricted to a maximum of two students per Department/College. Interested candidates should submit their details through online. The assessment form (recommendation letter given by HOD / faculty in favor of applicant) can be filled online by the HOD / Faculty in the link provided. The classes will be conducted during 10 am to 5 pm.
